

Computer and Information Science Department Accelerated Master's Program Application

Program Description: This program is open to students who earn a BS or BA degree in Computer and Information Science at the University of Oregon and who want to enter the master's degree program. Students can only use one or two 400-level courses toward the accelerated master's (8 credits total). All admission procedures, as outlined in the Master's Degree Program section of University of Oregon Catalog, are also applicable.

Application Requirements:

- 3.5 grade point average in CIS upper-division courses
- A- or better in 400-level course(s) that are also taught as 500-level courses
- Attach current UO transcript
- Must apply prior to finishing CIS degree at University of Oregon (even if student is not immediately planning to apply to master's program)
